All A Board Furniture

Makers of Quality Contract Furnishings...

In the contract furniture industry, All A Board strives to provide the market with furniture that is stylish yet practical, that is exceptionally sturdy and will function well in a variety of settings. Our pine furniture does all of this plus it's economical. Since All A Board sells its furniture directly to the marketplace, our manufacturer-direct service allows for pricing which benefits All A Board customers.

With over 25 years experience in furniture manufacturing, All A Board has mastered the craft of furniture design and production. Our furniture, manufactured in our plant in Richmond, Virginia, starts with the best kiln-dried solid wood and is finished with a penetrating oil-based stain. Quality control checks are made at each step of the manufacturing process and every finished piece gets a final inspection before shipment.

Customer service is very important to everyone at All A Board. Because you deal directly with us, the manufacturer, you can count on us to follow through on every detail of your order. We work very hard with our customers to meet their delivery deadlines. We understand how critical these dates are to you and routinely route our furniture across the U.S. and overseas.

All A Board will customize many of our furniture pieces to meet any special requirements you may have. Throughout the company, All A Board is continually looking for new ideas and innovative designs to better supply you, our customers, with furniture that will fit your needs. At All A Board, product quality and customer satisfaction are our most important goals.

All A Board Guarantee and Limited Warranty

Furniture used in commercial or institutional applications is guaranteed against structural failure for a period of five years from date of delivery. Fabric, vinyls, foam, sleep bed mechanisms and dining chairs are guaranteed against faulty workmanship for a period of one year from date of delivery. Since our furniture is made of natural solid wood, any contraction or expansion of the wood due to seasonal or atmospheric conditions which does not affect the structural integrity of the furniture is not covered by this guarantee. We will repair or exchange any faulty product under this guarantee for the original purchaser. Claims must be accompanied by a copy of the original invoice or other proof of purchase. All A Board, Inc. makes no representations, and/or warranties expressed or implied except as set forth above.

All A Board reserves the right to alter or discontinue a product.

All A Board's furniture is manufactured in the USA.

Standard Features and Options

All A Board offers you great standard features, but also optional features that satisfy many special institutional requirements. For more information on these options, or if you have additional needs, call our sales representatives toll free at 1-800-882-2753.

Handles – The recessed pulls on drawers mean handles that can not break.

Fluid Proof Liner (optional) – Our staph check liners are designed to protect your furniture from urine and spills. The zippered liner can easily be removed and cleaned.

Drawer Construction – All A Board utilizes a French dovetail construction method that will enable your drawers to withstand years of use.

Security Cables (optional) – Aircraft security cables positively secure cushions to the frame of the furniture for safety. May be unlocked for easy removal.

Mortise and Tenon Joints – All our wardrobes utilize a mortise and tenon construction for added strength.

Mirrors – Our mirrors are available in glass or optional shatter-proof plexiglass.

Adjustable Levelers – This feature is great for leveling furniture and protecting most floor surfaces.

Wooden Hanging Bar – A standard feature on all wardrobes.

Wooden Hanging J-Bar (optional) – Available feature for all wardrobes.

Lacquer Finish (optional) – To enhance the protection of the wood, a lacquer finish is available.

Laminate Table Tops (optional) – Our high pressure laminate tops make for easy clean up in heavy use areas.

Safety Features – Full length guard rails on sides of bunks or daybeds are standard. Bunks are secured by 3" steel pins on all four corners.

270 Degree Hinge – Our video cabinets have 270 degree hinges for unobstructed viewing, and they can be added to our wardrobe doors as an option.

Mattresses – Our contract grade mattresses are available with standard pinstripe ticking or optional fluid proof covering. All contract mattresses meet or exceed the Federal Flammability Standard 16 CFR 1632 (DOC FF4-72 Amended). Mattresses are available with Boric Acid felt with vinyl and nylon tickings which pass California Technical Bulletin 129.
